

LONDON ASSOCIATION OF FUNERAL DIRECTORS

an Area Federation of the National Association of Funeral Directors

WESTERN DISTRICT

The next District meeting will be on Tuesday 4th July, at Mortlake Crematorium.

We are seeking a new secretary as, due to injury, ours has had to resign the post. If you are willing to serve, or interested in learning more about the role, please contact me.

We are opening up meetings to suppliers and celebrants, in the hope of sharing knowledge, and looking to form a social group in the near future.

We are approaching coroners' offices and medical examiners, as we feel it would be beneficial to our members to understand a little more about their planned processes.

I am very pleased that tonight we will be celebrating with a couple of members who have passed their Cert FAA. This is always something we promote.

Victoria Kibble
District Chairman
